## White Sands Off-Leash Dog Park

White Sands Dog Park is a four-season, six-acre city park for dogs and their owners! The focal point of the park is a 1/4 mile chip trail bordering a pond. The former White Sands Outdoor Pool area was selected because of its beautiful outdoor setting, it was situated

on city-owned land, and would take the least amount of startup capital and volunteer labor. The generous spirit shown by volunteers and contributions from area businesses have made the dog park a place to enjoy now and for years to come. The White Sands Off-Leash Dog Park opened in Fall 2009.

White Sands Dog Park shares bathroom amenities and a rest area with the all-season White Sands Trailhead, a park-and-ride facility built for Sakatah-Singing Hills Trail users. Find the Dog Park at 900 Lyndale Ave. South. Remember, you must head south on Lyndale Avenue (Hwy. 21) to turn into the facility.

White Sands is a six-acre off-leash area with an aerated pond and a 1/4-mile walking trail!

## How Can You Help?
