

Learn-to-Fish Camps for Boys & Girls!

Fishing is an age-old sport dating back to the beginning of time when man first saw fish gliding under water. Ever since, people have been figuring out clever ways to bring fish to the dinner table!

In this way, Park & Rec wants to help youngsters ages 8-15 experience the thrill and joy of fishing. Adult mentors will help kids learn all the "ins and outs," the basic techniques of fishing. Camps meet at several bankfishing locations in Faribault. More information to follow. For more info, email jjarvis@ci.faribault.mn.us. Three programs are being offered.
