YARNS

HOMESPUN TALES FROM

Faribault Woolen Mill

BY JEFF JARVIS

Learn of the Klemer, Johnson, and Mooty families and how they survived devastating fires, the Great Depression, two World Wars, and the rise of technology to become the lone fully-integrated woolen mill in the entire United States. This book provides readers a glimpse of how an early manufacturing process, state-of-the-art equipment, smart business, and a small town culture all combined to form a business that became known the world over for quality and excellence.
