## ABOUT THE PARK

Established in 1963, Sakatah Lake State Park offers you the opportunity to camp, hike and recreate by the lake, while still protecting forests, wetlands, prairies and the creatures that depend on them. Members of the Dakota Nation, the Wahpekute (Wapacoota) tribe gave this area the name Sakatah, meaning "the sights and sounds of children playing on the hill," or loosely translated to "Singing Hills." The rolling terrain is the work of glaciers that deposited mounds of rocks and mineral debris (called moraines) some 14,000 years ago. In some places these deposits are up to 400 feet deep.

Discover all the area has to offer.

## TRAIL HIGHLIGHTS

- Hiking Club Trail** 2.2-mile loop  
Rolling hills • Natural surface  
Journey through old growth oaks and rolling hills as you hike sections of Hidden Pond, Oak Tree and Sumac trails to complete this loop. Find wildflowers in the spring, cool shade in the summer, and brilliant colors in the fall. This hike gives you great views in all seasons.
- Big Woods Loop** 0.75-mile loop  
Rolling hills • Natural surface  
Take in the Big Woods landscape as you roam under the canopy of tall, mature timber along this unique trail. The Big Woods Loop is a visitor favorite during the fall season when the forest floor is covered in brightly colored leaves.
- Wahpekute Trail** 1 mile one-way  
Rolling hills • Packed dirt  
This single track trail is a moderately difficult hike that follows rolling terrain overlooking the lake. Experienced hikers looking for an adventure will find lovely lake views ranging from tall overlooks to rocky lakeshores.

## MORE TO EXPLORE AT THE PARK

- Start your paddling adventure from the park's boat launch and onto the Cannon River State Water Trail which runs through Sakatah Lake.
